
Notice of Proposed Class Action Settlement

CIRCUIT COURT for PHELPS COUNTY, MISSOURI

Attention: If You Purchased Balance of Nature Products anywhere in the United States between March 28, 2019 and October 27, 2025

PLEASE READ THIS NOTICE CAREFULLY
THIS NOTICE RELATES TO THE PENDENCY OF A CLASS ACTION LAWSUIT
AND, IF YOU ARE A SETTLEMENT CLASS MEMBER, CONTAINS
IMPORTANT INFORMATION ABOUT YOUR RIGHTS

A court has authorized this notice. This is not a solicitation from a lawyer.

The notice concerns a lawsuit called Vernita Morris, *individually and on behalf of all others similarly situated*, v. Evig, LLC d/b/a Balance of Nature, Case No. 25PH-CV-01551, filed in the Circuit Court of Phelps County, Missouri (the “Lawsuit”).

This proposed class action Settlement will resolve the Lawsuit against Evig, LLC d/b/a Balance of Nature (“Defendant”). It affects the following persons:

All Persons who purchased one or more Units of Balance of Nature Products in the United States between March 28, 2019, and October 27, 2025.

The following are excluded from the Class: (a) all Persons who purchased or acquired the Product for resale; (b) all Persons who received a refund in an amount that equals or exceeds the amount paid for the Product; (c) Defendant, and its directors, officers, employees, principals, affiliated entities, legal representatives, successors, and assigns; (d) any Person who files a valid, timely Opt-Out request; (e) federal, state, and local governments (including all agencies and subdivisions thereof, but excluding employees thereof); and (f) the Judge in this case, the Honorable William E. Hickie, the mediator, the Honorable Wayne R. Andersen (ret.) and any members of their immediate families, and any members of their chambers’ staffs.

The Lawsuit alleges that Defendant engaged in deceptive and misleading trade practices in the manufacture and sale of premium-priced dietary supplements labeled and branded as Balance of Nature Fruits capsules, Balance of Nature Veggies capsules, and Balance of Nature Fiber & Spice powder (collectively, the “Products”), and in its advertising and marketing representations about the quality, accuracy of listed ingredients, and supposed proven health benefits of the Products.

Defendant denies any wrongdoing. It contends that the Products have always been marketed truthfully and labeled accurately.

To settle the case, Defendant has agreed to provide a cash Benefit to Settlement Class Members under two tiers:

Tier 1 Benefit – Proof of Purchase: Settlement Class Members who elect to fill out the Claim Form for a Tier 1 claim and who have valid Proof(s) of Purchase may recover up to a maximum of \$6.00 per Unit, limited to 5 Units per Household for a maximum benefit of \$30.00 per Household; or

Tier 2 Benefit – No Proof of Purchase: Settlement Class Members who elect to fill out the Claim Form for a Tier 2 claim and who do not have a valid Proof of Purchase may recover up to a maximum of \$4.00 per Unit per Household, limited to 2 Units, or \$8.00 per Household.

However, you could receive less than that, depending on certain factors, including how many Valid Claims are submitted.

“Unit” means a single bottle of any of the Products. By way of example, a Tier One Claim for 5 Units means that the Settlement Class Member is seeking \$30.00 (\$6.00 per Unit x 5 Units = \$30.00) before adjustments by the Settlement Administrator. If the Settlement Class Member made a single purchase of the Balance of Nature Whole Health System, which includes one bottle each of Fruits, Veggies, and Fiber & Spice, he or she has purchased 3 Units.

The total available Settlement Amount is \$9,950,000.

The lawyers who represent the Class in the lawsuit will ask the Court for up to \$2,575,000 to be paid by Defendant as the Fee Award for investigating the facts, litigating the case, and negotiating the Settlement. They will ask for \$5,000 for the Plaintiff who brought this lawsuit. That payment is called the “Class Representative Service Award.”

Your legal rights are affected whether you act or don’t act. Read this notice carefully. This notice summarizes the proposed Settlement. For the precise terms and conditions of the Settlement, please see the Settlement Agreement available at www.supplements-settlement.com or contact the Settlement Administrator at 1-888-577-2636.

**PLEASE DO NOT TELEPHONE THE COURT OR THE COURT CLERK’S OFFICE
TO INQUIRE ABOUT THIS SETTLEMENT OR THE CLAIM PROCESS.**

1. **How Do I Know If I Am Affected by the Settlement?**

This case involves Balance of Nature Products purchased in the United States between March 28, 2019, and October 27, 2025. This proposed class action Settlement will resolve the Lawsuit against Evig, LLC d/b/a Balance of Nature (“Defendant”). It affects the following persons:

All Persons who purchased the Products in the United States between March 28, 2019, and October 27, 2025.

The following are excluded from the Class: (a) all Persons who purchased or acquired the Product for resale; (b) all Persons who received a refund in an amount that equals or exceeds the amount paid for the Product; (c) Defendant, and its directors, officers, employees, principals, affiliated entities, legal representatives, successors, and assigns; (d) any Person who files a valid, timely Opt-Out request; (e) federal, state, and local governments (including all agencies and subdivisions thereof, but excluding employees thereof); and (f) the Judge in this case, the Honorable William E. Hickie and the mediator, the Honorable Wayne R. Andersen (Ret.), and any members of their immediate families, and any members of their chambers’ staffs.

For purposes of Settlement only, the Court has conditionally certified a Settlement Class that is defined as all Persons who purchased Balance of Nature Products between March 28, 2019, and October 27, 2025, in the United States.

If the Settlement does not become effective (for example, because it is not finally approved, or the approval is reversed on appeal), then this litigation will continue.

2. **What Is the Lawsuit About?**

A lawsuit was brought by Plaintiff against Defendant based on allegations that Defendant engaged in deceptive trade practices, breaches of warranties, fraud by silence, and unjust enrichment in the manufacture and sale of dietary supplements labeled and branded as “Balance of Nature Fruits,” “Balance of Nature Veggies,” and “Balance of Nature Fiber & Spice” (collectively, the “Products”), and in its advertising and marketing representations of the Products.

Defendant denies that there is any factual or legal basis for Plaintiff’s allegations. Defendant contends that its Product labeling is accurate, denies making any misrepresentations and, therefore, denies any liability. It also denies that Plaintiff or any other members of the Settlement Class suffered any injury or are entitled to monetary or other relief. Defendant also denies that this case can be certified as a class action, except for purposes of Settlement. The Court has not determined whether Plaintiff or Defendant is correct.

3. **Why Is There A Lawsuit?**

While Defendant denies that there is any legal entitlement to a refund or any other

monetary relief or injunctive relief, Plaintiff contends that Defendant caused consumers to purchase the Products when they would not otherwise have done so and/or Defendant caused consumers to pay more for the Products as a result of the advertising or labeling. The lawsuit seeks to recover money damages, on behalf of a class of all Purchasers in the United States other than those who are otherwise excluded under the Settlement Agreement.

4. Why Is This Case Being Settled?

Plaintiff filed her original lawsuit on September 4, 2025. Plaintiff's counsel has investigated the manufacturing, marketing, and labeling of the Products. Defendant has produced numerous pages of documents for review. The Parties, to avoid the costs, disruption, and distraction of further litigation and without admitting the truth of any allegations made in the Action, or any liability with respect thereto, have engaged in arms-length settlement negotiations that resulted in this Agreement. Those discussions were built on an earlier class action settlement agreement, now terminated, that resulted from a mediation under the supervision of retired United States District Judge Wayne Andersen. This Settlement provides greater relief to class members than the now terminated settlement agreement.

Counsel for both Plaintiff and Defendant have determined that there is significant risk in continuing the litigation. In particular, there may be substantial difficulties establishing: (1) that Defendant's packaging and/or labeling of the Products were false, misleading, or likely to deceive reasonable consumers; (2) that Defendant's representations about the Products were material to reasonable consumers; (3) that any price premium can be attributed to the representations, and/or (4) that damages or restitution should be awarded or, if so, that any such award should be more than nominal. In particular, it may be difficult to establish that different marketing and labeling would have changed the volume of sales or the pricing of the Products.

After considering the risks and costs of further litigation, the Parties have concluded that it is desirable that the Plaintiff's claims be settled and dismissed on the terms of the Settlement Agreement. Plaintiff and her counsel believe that the terms and conditions of the Settlement are fair, reasonable, adequate, and equitable, and that the Settlement is in the best interest of the Settlement Class Members.

5. What Can I Get In the Settlement?

Settlement Class Members may elect either a Tier 1 or Tier 2 Benefit for Products purchased between March 28, 2019, and October 27, 2025, regardless of the price the Settlement Class Member paid, subject to further adjustments or reductions.

The Total Settlement Amount is **\$9,950,000**, from which all Tier 1 or Tier 2 Benefits, Administrative Expenses, Fee Award, and the Class Representative Service Award will be paid. Depending on the number of Valid Claims and Administrative Expenses, the Benefit payable to each Claimant could be less. Any unclaimed amount of the Settlement remains with the Defendant.

Tier 1 Benefit – Proof of Purchase: Settlement Class Members who timely submit a Valid Claim Form for a Tier 1 claim and who have valid Proof(s) of Purchase may recover up to a maximum of \$6.00 per Unit, limited to 5 Units per Household for a maximum benefit of \$30.00 per Household; or

Tier 2 Benefit – No Proof of Purchase: Settlement Class Members who timely submit a Valid Claim Form for a Tier 2 claim and who do not have a valid Proof of Purchase may recover up to a maximum of \$4.00 per Unit per Household, limited to 2 Units, or \$8.00 per Household.

All Claims submitted from the same Household shall be treated as a single Claim including for the purposes of meeting the Proof of Purchase requirements.

The Settlement Administrator may make further adjustments to the Benefit depending upon the specific number of Valid Claims and information provided during the Claim process.

Claims will be paid only if deemed valid and only after the Court approves the Settlement.

6. How Do I Make A Claim?

To make a Claim, you must fill out the Claim Form available on this Settlement Website, www.supplements-settlement.com. You can submit the Claim Form online, or you can print it and mail it to the Settlement Administrator at: Balance of Nature Settlement Administrator, PO Box 231, Valparaiso, IN 46384. Claim Forms must be submitted online or postmarked by 11:59 p.m. Central Time on March 11, 2026.

For purposes of Claims by Class Members, the term “Proof of Purchase” means a receipt, order confirmation, account order history (relevant portion), or other digital or tangible documentation from Defendant, amazon.com or walmart.com, which reasonably establishes the fact and approximate date of purchase of the Product during the Class Period in the United States.

Benefit Checks or electronic payments will be issued only if the Court gives final approval to the proposed Settlement and after the final approval is no longer subject to appeal. Please be patient as this may take months or even years in the event of an appeal.

7. When Do I Get My Benefits?

Filing a Claim does not provide a guaranteed benefit. A Final Approval Hearing is scheduled for March 6, 2026. If the Court approves the Settlement and there are no appeals, then Benefit Checks will be distributed approximately 45 days after the Settlement is no longer subject to appeal or review, unless otherwise ordered by the Court. If the Court does not approve the Settlement, or if the Settlement is overturned on appeal, no Benefit Checks will be issued.

8. Who Represents Me?

The Court has appointed Plaintiff's counsel, David L. Steelman of Steelman & Gaunt, Stuart L. Cochran of Condon Tobin Sladek Thornton Nerenberg PLLC; Britton D. Monts of the Monts Law Firm; and Mathew H. Armstrong of Armstrong Law Firm LLC to represent the Settlement Class. These lawyers are called Class Counsel. You will not be charged by these lawyers. If you want to be represented in this case by your own lawyer, you may hire one at your expense.

9. What Do Plaintiff and Class Counsel Get?

To date, Class Counsel has not been compensated for any of their work on this case. As part of the Settlement, Class Counsel may apply to the Court to award them up to \$2,575,000 from Defendant to pay their Fee Award.

In addition, the named Class Representative in this case may apply to the Court for a Class Representative Service Award up to \$5,000 for Plaintiff. This payment is designed to compensate the named Class Representative for the time, effort, and risks she undertook in pursuing this litigation.

Class Counsel shall file its Application for a Fee Award and Class Service Award no later than thirty (30) days prior to the Objection Deadline. A copy of that Application will be available on the Settlement Website. The Court will determine the amount of Attorneys' Fees and Expenses as well as the amount of any Class Representative Service Award to Plaintiff.

10. What Happens If I Do Not Opt-Out from The Settlement?

If you are a Class Member and you do not Opt-Out from the Settlement, you will be legally bound by all orders and judgments of the Court, and you will also be legally bound to the Releases of the Claims in the Settlement. This means that in exchange for being a Settlement Class Member and being eligible for the cash Benefits of the Settlement, you will not be able to sue, continue to sue, or be part of any other lawsuit against Evig, LLC d/b/a Balance of Nature and/or any of the Released Parties that involves the same legal Claims as those resolved through this Settlement. If you do not Opt-Out, you will be bound by the Settlement even if you do not timely submit a valid Claim.

You will not be responsible for any out-of-pocket costs or attorneys' fees concerning this case if you stay in the class.

Staying in the class also means that you agree to the following terms of the Settlement that describe exactly the legal Claims that you give up:

- a) Upon the Effective Date and without any further action by the Court or by any Party to this Agreement, Plaintiff, all Settlement Class Members, Class Counsel, and any Person claiming by or through him/her/it, including any Person claiming to be his/her/its spouse, parent, child, heir, guardian, associate, co-owner, attorney, agent, administrator, executor, devisee, predecessor, successor, assignee, assigns,

representative of any kind, shareholder, partner, director, employee or affiliate, for good and sufficient consideration, the receipt and adequacy of which is acknowledged, shall be deemed to, and shall, in fact, have remised, released and forever discharged any and all Released Claims, which they, or any of them, had or has or may in the future have or claim to have against any of the Released Parties.

- b) Plaintiff and the Settlement Class Members fully release and forever discharge the Released Parties from the following:

any and all claims, liens, demands, actions, causes of action, rights, duties, obligations, damages or liabilities of any nature whatsoever, whether legal or equitable or otherwise, known or unknown, that actually were, or could have been, asserted in the Litigation, whether based upon any violation of any state or federal statute or common law or regulation or otherwise, or arise directly or indirectly out of, or in any way relate to: (i) the allegations, claims, or contentions that were, or could have been, asserted in the Litigation, including but not limited to allegations, claims, or contentions related in any way to the advertising, labeling (including but not limited to packaging), marketing, claims, or representations of any type whatsoever regarding the Products.

- c) Plaintiff, Settlement Class Members, and Defendant expressly understand and acknowledge that it is possible that unknown losses or claims exist or that present losses may have been underestimated in amount or severity. Plaintiff, Settlement Class Members, and Defendant explicitly took that into account in entering into this Agreement, and a portion of the consideration and the mutual covenants contained herein, having been bargained for between Plaintiff and Defendant with the knowledge of the possibility of such unknown claims, were given in exchange for a full accord, satisfaction, and discharge of all such claims. Consequently, Plaintiff, Settlement Class Members, and Defendant expressly waive all provisions, rights and benefits of laws such as California Civil Code Section 1542, which provides:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.”

- d) Plaintiff, Settlement Class Members, and Defendants hereby incorporate any equivalent, comparable, or analogous provisions of the laws of the United States or any state or territory thereof, or of the common law.
- e) Each and every term of the Released Claims shall be binding upon, and inure to the benefit of Plaintiff, Settlement Class Members and the Released Parties, and any of their heirs, guardians, executors, administrators, representatives, agents, attorneys,

partners, owners, successors, predecessors-in-interest, and assigns, which persons are intended to be beneficiaries of this Section.

- f) All personal injury claims are expressly excluded from the Released Claims.
- g) The Final Approval Order shall further provide for and effect the release of all actions, causes of action, claims, administrative claims, demands, debts, damages, costs, attorney's fees, obligations, judgments, expenses, compensation, or liabilities, in law or in equity, whether now known or unknown, contingent or absolute, that Plaintiff and the Settlement Class Members now have or may have against the Released Parties by reason of any act, omission, harm, matter, cause, or event whatsoever arising out of the initiation, prosecution, or settlement of the Action or the claims and defenses asserted in the Action.
- h) "Released Parties" means Defendant Evig LLC d/b/a Balance of Nature and each of their past, present, future parent companies, related companies, successors in interest to the Balance of Nature brand or the Products, direct and indirect subsidiaries, and affiliates, including all former, present, future officers, directors, managers, members, employees, owners, shareholders, consultants, insurers, agents, representatives, successors, attorneys, and assigns of any of the foregoing. For the avoidance of doubt, Released Parties shall include all persons or entities in the stream of commerce for the development, manufacturing, labeling, marketing, advertising, sale, and/or distribution of the Products, and shall also include Douglas Lex Howard and Dr. Douglas S. Howard.

11. How Do I Opt-Out from The Settlement?

You can Opt-Out from the Settlement Class if you wish to retain the right to sue Defendant separately for the Released Claims. If you Opt-Out, you cannot file a Claim or Objection to the Settlement.

To Opt-Out, you must complete the online exclusion form on the Settlement Website, download it, and submit it to the Settlement Administrator at info@supplements-settlement.com or by first class mail, or submit by first class mail to the Settlement Administrator a valid request to exclude themselves that contains the same information required by the online exclusion form. Opt-Out requests mailed by first class mail must be Postmarked to the Settlement Administrator by the Opt-Out Deadline or they shall not be valid. Class Members who elect to Opt-Out from this Settlement shall not be permitted to object to this Settlement or to intervene. Class Members shall be encouraged, but not required, to provide their email addresses in their requests for exclusion. The Opt-Out request must be submitted via email by no later than 11:59 p.m., Central Time on February 9, 2026. If mailed, the Opt-Out request must be signed by you, contain your full name, address, and phone number(s), and the following statement: "I/We request to Opt-Out from the settlement in the Balance of Nature Action."

12. How Do I Object to The Settlement?

You can ask the Court to deny approval of the Settlement by timely filing an Objection with the Court. You can't ask the Court to order a larger Settlement; the Court can only approve or disallow the Settlement. If the Court denies approval to the entire Settlement, no Benefit Checks will be sent out, and the lawsuit will continue.

You can also ask the Court to disapprove the requested payments to Plaintiff and to their attorneys. If those payments are disapproved, no additional money will be paid to the Settlement Class. Instead, the funds earmarked for Plaintiff and their attorneys will be retained by Defendant.

You may also appear at the Final Approval Hearing, either in person or through your own attorney. If you appear through your own attorney, you are responsible for paying that attorney. If you want to raise an objection to the Settlement at the Final Approval Hearing, you must submit that objection in writing, by the Objection Deadline.

If you want to raise an Objection to the Settlement at the Final Approval Hearing, you must submit that Objection in writing, by the Objection Deadline set forth above. Any Objection must include: (a) a reference at the beginning to this case, *Vernita Morris v. Evig LLC d/b/a Balance of Nature*, Case No. 25PH-CV-01551 filed in the Circuit Court of Phelps County, Missouri; (b) the name, address, telephone number, and, if available, the email address of the Person objecting, and if represented by counsel, of his/her counsel; (c) a written statement of all grounds for the Objection, accompanied by any legal support for such Objection; (d) whether he/she intends to appear at the Final Approval Hearing, either with or without counsel; (e) whether he/she intends to present evidence at the Final Approval Hearing and a disclosure of the evidence to be presented sufficient to put the Parties on notice of the same, including identity of any witnesses or documents to be used, either with or without counsel; (f) a statement of his/her membership in the Settlement Class, including all information required by the Claim Form; and (g) a detailed list of any other objections submitted by the Class Member, or his/her counsel, to any class actions submitted in any court, whether state or otherwise, in the United States in the previous five years. If the Class Member or his/her counsel has not objected to any other class action settlement in any court in the United States in the previous five years, he/she shall affirmatively state so in the written materials provided in connection with the Objection to this Settlement.

Any Class Member who fails to timely file and serve a written Objection containing all of the information listed in the items (a) through (g) of the previous paragraph, including notice of his/her intent to appear at the Final Approval Hearing, shall not be permitted to object to the Settlement and shall be foreclosed from seeking any review of the Settlement or the terms of the Agreement by any means, including but not limited to an appeal.

Any Class Member who submits a timely written Objection shall consent to deposition at the request of Class Counsel or Defendant's counsel, to occur at least ten days prior to the Final Approval Hearing. Any objector who fails to make him or herself

reasonably available for a timely deposition or fails to appear at a deposition shall be deemed to have withdrawn his or her objection.

If any Objection is received by the Settlement Administrator, the Settlement Administrator shall forward the Objection and all supporting documentation to counsel for the Parties. At least fourteen days prior to the Final Approval Hearing, Plaintiff's Class Counsel shall submit all such Objections and supporting documentation with the Court. The failure of the Class Member to comply with the filing requirements listed above and in Section 6.4 of the Settlement Agreement shall be grounds for striking and/or overruling the Objection, even if the Objection is submitted to the Settlement Administrator.

A Class Member who objects to the settlement may also submit a Claim Form on or before the Claim Filing Deadline, which shall be processed in the same way as all other Claim Forms. A Class Member shall not be entitled to an extension to the Claim Filing Deadline merely because the Class Member has also submitted an objection.

By filing an Objection, you consent to the jurisdiction of the Court, including to any order of the Court to produce documents or provide testimony prior to the Final Approval Hearing.

If you file an Objection to the Settlement but still want to submit a Claim in the event the Court approves the Settlement, you must still timely submit a Claim Form according to the instructions described above.

You **must** also send a copy of your Objection to the Settlement Administrator, Class Counsel, and Defendant's counsel:
